

8.6 SCHEME OF MARKING

- Each correct response will get a score of 1 mark.
- Each incorrect response will get a score of $-\frac{1}{3}$ (minus-one-third).
- No credit will be given for the questions not answered or marked for review (Please see Annexure-5 on Online Examination)

			
CORRECT	WRONG	FOR REVIEW	NOT ANSWERED
+1	$-\frac{1}{3}$	0	0

- The score such obtained will be the Raw Score that will be used to determine Percentage score and percentile [for the purpose of Eligibility using Cut-Offs] and Normalization [for the purpose of determining Merit / Ranking].

IMPORTANT

If any discrepancy in any question is found in the Entrance Examination, the candidate is advised to write to Associate Dean (Exam.), AIIMS, New Delhi 110 608 within 24 hours by email :

However, for other purposes write to Asstt. Controller (Exams) on aiims.mbbs18@gmail.com

8.7 MINIMUM CUT-OFF SCORES

In accordance with decision of the Governing Body, AIIMS, New Delhi dated 26.11.2009 and the past practice adopted by AIIMS, New Delhi, the minimum cut-off necessary in the Entrance Examination to determine eligibility for admission is:

General Category	: 50%
OBC (Non Creamy Layer)	: 45%
SC / ST	: 40%
PWBD	: Cut-offs of the respective category

Since the examination will be held in two days in two shift per day, a Normalization Procedure will be used (see 8.8); the Percentile score corresponding to the above cut-offs will be used to determine eligibility. In the event of the percentiles for the four shifts in two days being dissimilar / unequal, the lower of the four will be the eligibility cut-off for that category for all candidates (i.e. all shifts).

For example if the 50% marks correspond to a Percentile score of 90 in Shift 1, 92 in Shift 2, 89 in Shift 3 and 88 in Shift 4 then all those equal to or above 88 Percentile (Percentile score of 100 to 88) in all shifts will become eligible in General Category. Similar method will be adopted for the other categories to determine eligibility cut-offs. In case the examination is held in lesser number of shifts the same principle shall apply.

8.8 NORMALIZATION PROCEDURE

This year, since there would be two shifts per day, a Normalization Procedure is being adopted as decided by experts based on analysis of past MBBS Entrance Examinations conducted by AIIMS, New Delhi. This will be utilized to decide on the inter-se merit / ranking [used during Online Seat Allocation / Counseling for allotment of seats] between those who appeared for the examination.

The normalization procedure that will be adopted is based on PERCENTILES.

Percentile Scores

Percentile scores are scores based on the relative performance of all those who appear for the examination. Basically the marks obtained are transformed into a scale ranging from 100 to 0 for each group (shift) of examinees.

The Percentile Score indicates the percentage of candidates that have scored EQUAL TO OR BELOW (same or lower raw scores) that particular Percentile in that examination. Therefore the topper (highest score) of each group (shift) will get the same Percentile of 100 which is desirable. The marks obtained in between the highest and lowest scores are also converted to appropriate Percentiles.

The Percentile score is the Normalized Score for this examination.
