## Vacancy for the Post of a Junior Research Fellow (JRF)

Applications are invited from young and motivated candidates for the post of one Junior Research Fellow (JRF) in a SERB-funded core research grant on “**Prognostic and Mechanistic evaluation of PSME1 in lung cancer**” in the Dept. of Biochemistry, AIIMS Nagpur.

**Name of the Post:** Junior Research Fellow – One Post

**Nature of Appointment:** The appointment is TEMPORARY till the duration of the project.

**Salary:** Rs. 31,000+ 4,960 (HRA) = Rs. 35,960/- per month

**Eligibility:** Masters in any branch of life sciences/biotechnology with >60% marks or equivalent CGPA. Preference will be given to CSIR NET-LS or GATE qualified candidates.

**Desirable Qualification:** Hands-on experience of animal cell culture, processing of human tissue and blood samples, and knowledge of molecular biology techniques such as DNA/RNA purification, qPCR, and immunoblotting.

Proficiency in computers is highly desirable.

**Eligible candidates may send their application (Statement of interest and CV) Dr Satyendra Tripathi on the e-mail sctripathi@aiimsnagpur.edu.in on or before 10.04.2022.**

*Note.*

- *Only short-listed candidates will be called for the interview (physical interview would be conducted).*
- *No TA/DA will be paid for appearing in the interview.*
- *The decision of the selection panel will be conducted final.*
