Enclosure: Related documents enclosed

Proprietary Article Certificate under Rule No. 166 of GFR 2017

Proprietary Article Certificate in the following form is to be provided by the Ministry/Department before procuring the goods from a single source under the provisions of Sub-Rule 166 (i) and 166 (iii), as applicable.

(i) The indented goods are manufactured by bioMérieux India Pvt. Ltd.

(ii) No other make or model is acceptable for the following reasons:

a) The **DensiChek** and related consumables are proprietary items specifically designed for use with the **VITEK® system/instrument** manufactured by bioMérieux.

b) These products function based on a unique technology and calibration methodology exclusive to the manufacturer and are validated only with the designated bioMérieux system.

c) These consumables are system-specific and non-substitutable, and the use of alternative products would:

- Result in incompatibility with the instrument's detection and processing mechanism
- Compromise accuracy, sensitivity, and reliability of test results
- Lead to invalid or non-reportable results and possible risk to patient care
- Void instrument validation and quality assurance protocols established by the manufacturer

(iii) Concurrence of Finance Wing to the proposal vide:

.....

(iv) Approval of the Competent Authority vide:

.....
