

## Appointment Booking using E-Vaidya App

1 – After Installation of E-aidya App from Google Playstore, Patient have to login using registered mobile number and OTP Verification is required.

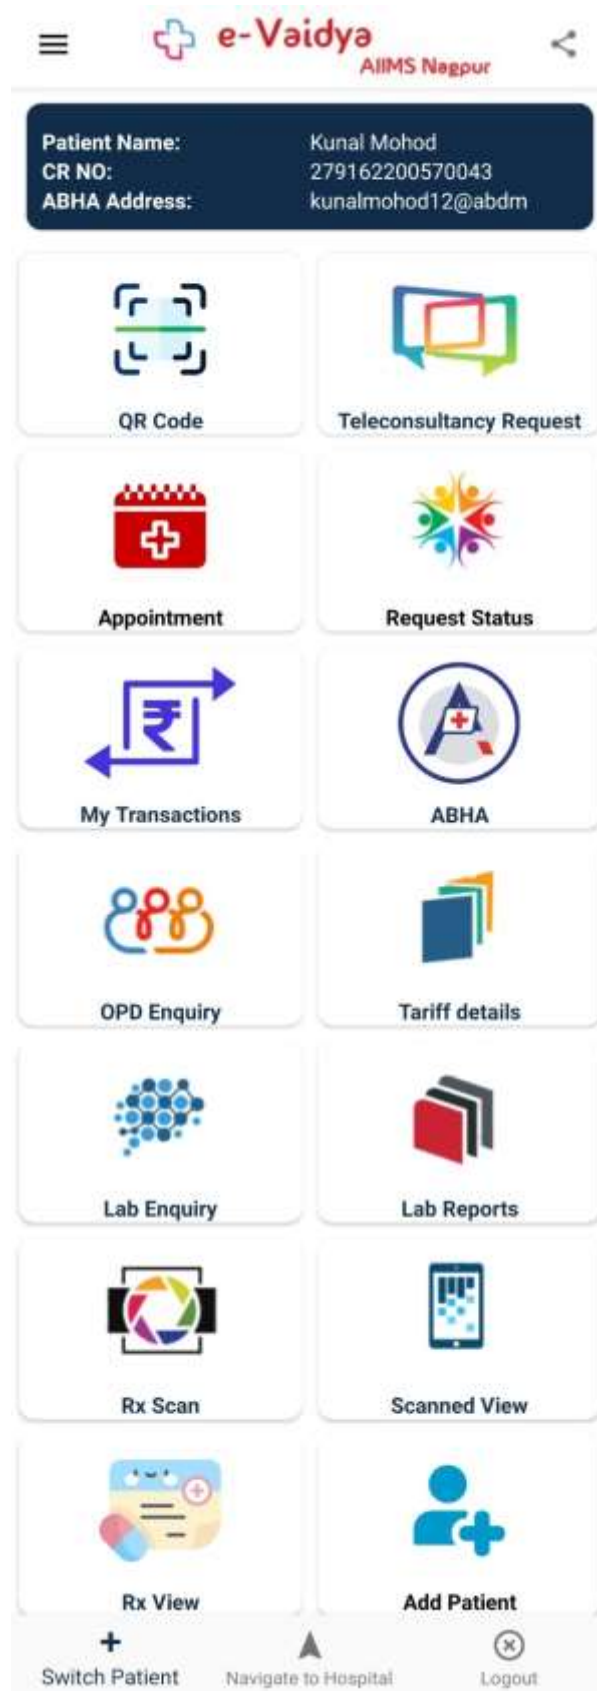

The image displays two sequential screenshots of the E-Vaidya app's login process. Both screens have a dark blue header with the word "Login" in white.

The first screenshot (left) shows the mobile number entry screen. It features a text input field with a yellow "+91" prefix and the placeholder text "Enter your mobile number to login". Below the input field is an orange button labeled "Login as Patient". At the bottom of the screen, there is a blue button labeled "Doctor's Login" and a horizontal line with the word "Or" in the center.

The second screenshot (right) shows the OTP verification screen. It features a text input field with the placeholder text "Please enter OTP received on your mobile number". Below the input field is an orange button labeled "Login". At the bottom of the screen, there is a blue button labeled "Doctor's Login" and a horizontal line with the word "Or" in the center.

A black arrow points from the first screenshot to the second, indicating the flow of the login process.

2 – After login, click on Appointment Tab available on Home Page of E-vidya APP.

3 – After that Department Consultant wise list is listed
