Dear Sir,

Sincere apologies from our end for the undue delays in this regard.

We had major facility upgradation with EDI manufacturing facility in France, leading to temporary supply disruption.

Also, having provided the price justification as per trailing mail, the same has not been taken to factual consideration by the committee.

As the exact price breakups are not available & cannot be shared as such, Kindly process INR 358596 + taxes as reconsidered EDI price for AIIMS.

The prices are valid till 20/09/2024 & order for consumable & EDI can be released in favor of our authorized channel partner.
