SUB: Product Specifications and Quotation for STAR BOARD and STAR
TABLE of Adept Medical

Dear Sir,

M/s Intent Health Solution has collaborated with Adept Medical, New Zealand to import, introduce, market and distribute their range of products in India. Adept Medical offers clinically engineered solutions for Radial & Femoral Access. Adept Medical pioneers in Carbon Fibre processing technology and all Adept Medical products are developed using Carbon Fibre. This material provides superior strength and durability, while being extremely light and compact. For Radial access and procedures, we present to you the STAR SYSTEM, which comprises of:

STARBOARD: A forearm and hand support, specifically designed for Trans Radial interventional catheterization which helps unequalled patient comfort and ease of use for clinicians in Radial access.

STARTABLE: Work station for Radial Access that slides easily underneath the mattress with the patient on the table for simple set up. In-built with Scatter radiation Protection.

STAR SYSTEM: A combination of the STARBoard and STARTable to become a complete, clinically engineered solution for Radial access procedures.

Along with this letter, please find enclosed the product specifications and price quotation for the STAR SYSTEM for your Cath Lab.

Thanking You,

Yours Faithfully,

Suyog Kulkarni
